

Sprint review - Sprint 01 - 28/10/2021

Went well:

- Everyone participated in the meetings on time.
- Sensible roles and tasks assignment.
- Finished the SPD and VD before the deadlines.

Went wrong:

- Forgot the sprint planning.
- Not making use of Slack
- Limited use of Trello

Lessons learned:

- Learned to assign roles and tasks for each member in the group.
- Learned to schedule the meetings.
- Learned about Git, Slack, Trello.

Will do differently next sprint:

- Make use of Slack more.
- Use Trello more for planning.
- Participate more actively in the meetings.

Problems and causes:
